Forms are available for written comments and statements
- 7:00 - 7:30 One-on-one question and answer period with the project team.**
Written comments may be submitted for public record

What's next?

The project team will make a technical presentation to the Lee and Collier County Boards of County Commissioners at their regularly scheduled meetings early next year. Anyone wishing to be involved in further consensus building workshops should contact the Lee DOT c/o Cella & Associates, Inc., at 337-1071.

Future Consensus Building Workshops

A series of small group meetings will be held by the project team with those persons or parties who have an interest in the decisions related to the extension of CR 951. The consensus building process will address the following:

- The nature & need for additional north-south capacity
- How that need can be met
- Measures taken to address the environment, community and business impacts
- Coordination with others who affect the issues and solutions relating to CR 951

The consensus building process will be open to all members of the public.

If you are interested in participating in the consensus building workshops, please e-mail your request and mailing information via the web site or call (239) 337-1071, toll-free 1-877-496-1076 or write to Lee County DOT, c/o Cella & Associates, Inc., 2125 First Street, Suite 201, Fort Myers, FL 33901.
