IMPORTANT MEETING!

Preliminary Traffic Forecasts and the Affected Environment Presentation and Group Discussion Small Group Meeting #2

We would like to invite you to join our project study team for the Small Group Meeting #2 of the consensus building process. The meeting will be held on Thursday, May 22, 2003 from 6:00 pm to 8:00 pm at the South County Regional Library, 21100 Three Oaks Parkway, Estero. (see map on reverse side).

The focus of the meeting will include:

- **Preliminary travel demand forecasting for CR 951**
- **I-75 Origin/Destination Study - Where does the traveling public come from - where are they going? Or who might use CR 951?**
- **Affected Environment including approved and existing developments, ground truthed land use information, wetlands and critical habitat**
- **Population trends**

A 20-minute open house beginning at 6:00 pm will allow the public to review the project information and talk one-on-one with the project team. This will be followed by a formal presentation which will include a question and answer session.

Your participation is sincerely encouraged. If you attended the previous workshops and plan to attend this meeting, please remember to bring your project workbook.

Anyone needing special accommodations under the Americans with Disabilities Act of 1990 should contact Kris Cella at Kcella@cella.cc or phone 239-337-1071. If you have any questions about the meeting or would like information about the project, contact Ms. Cella.
